sweet berry farm
is truly a 'garden of earthly delights'
offering treats to feed body & soul.

Our one hundred acres of fields and orchards are lovingly tended, so while picking our sweet strawberries, or plucking a fat peach from the tree, you are treated to the beauty of our farm as well as the deliciousness of our fruits.

Our partnership with the Audubon Land Trust insures these precious areas will remain open space forever.

Stop & smell the cut flowers! We grow our own in multitudes, and create arrangements that'll make you smile.

Our talented chefs create all sorts of tasty sweet-tart appetizers to satisfy all your cravings. **FEEL AT HOME** in our greenhouse cafe; pour yourself a cup of coffee to enjoy with a muffin, grill a classic Reuben or one of our American cheese sandwiches over Halos panini grill.

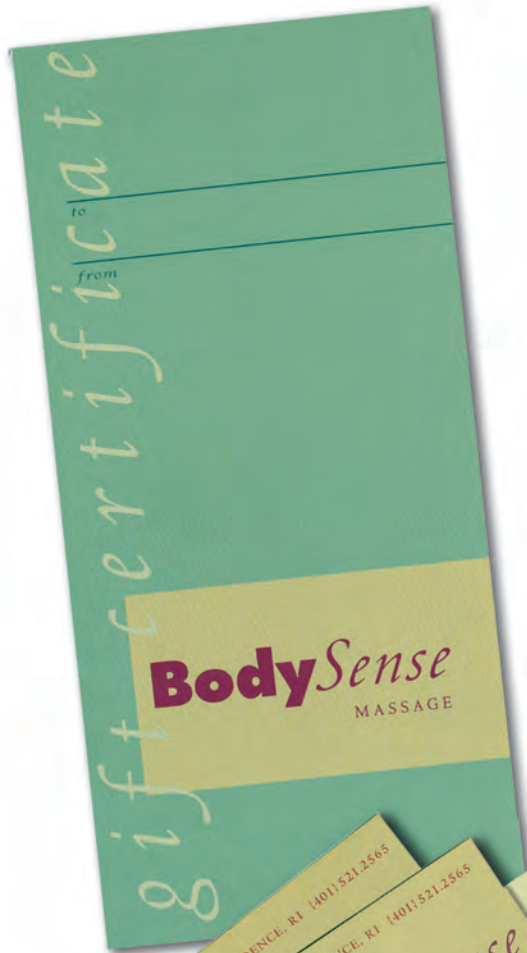

café & market

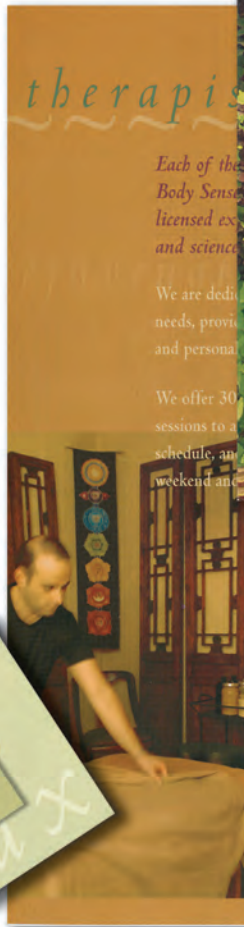

Our market has a variety of fruits, vegetables & exemplary artisan foods created both locally and from around the world. **MOVING AHEAD?** Try grilling our tasty house-made sausage or a Hereford steak burger. We've already made the celestine, potato salad, and picnic. **NOT IN THE MOOD TO COOK?** That's fine! Our chefs have prepared dishes for you to take home, from the coziest comfort food like chicken pot pie, to dinners and gourmet ice cream that rival a five-star bistro.

All of us at Sweet Berry Farm hope you enjoy our labors of love.

The sound of fresh, trickling water.
Maybe a sculpture made from
twigs and vines.
You've just walked into Body Sense,
and you are compelled to slow
down, and take a deep breath.
